rattan
As an experienced manufacturer and exporter Siesta introduces the never-unraveling or fraying high quality wicker furniture. The natural looking and open weave design is available in various colours. The durable wicker material is made of quality polypropylene ensuring colour fastness and weather-resistance and is 100% recyclable.

Siesta professional team has been working in this range for many years, we are skillful and careful. The warm and open atmosphere brings us the creativity and partnership.

The lounge sets include comfortable cushions. Water repellent and UV-resistant materials are available in modern designs.

Chairs and sunloungers are made of weather resistant resin, reinforced with glass fiber. Easy to stack, store and collapse.

The tables are designed for quick and easy self-assembly. No additional tools are required and within minutes you will be enjoying the beauty of your backyard lounge.
Aruba armchair is stackable and made of durable weather-resistant resin reinforced with glass fiber. Non-metallic frame will never unravel, rust or decay. It is UV protected which insures the colors will not fade. For indoor and outdoor use.
